

TAI CHI

The "next step" after Intro. to Tai Chi

This 12 week* program includes ..

Who should take this course?

Anyone who wishes to complete learning Part 1 of the Tai Chi form ... then this class is your next step.

I'm not real comfortable with what has been covered in the Introductory course, should I take this course?

You do not need to feel 100% confident with what you have learned to date in order to join this class. As a part of this course, you will frequently review Part 1.

What is Push Hands ...

Push Hands is an exercise performed by two people who wish to improve their Tai Chi skills. It provides Tai Chi practitioners with a format to test and improve upon their relaxation, flexibility, timing, balance, poise and numerous other qualities while in contact with another person. Push Hands exercises may be introduced periodically during this course. Call for more info or to observe a class!
